Staff Recruitment

While recruiting candidates the company pays special attention to the following critical aspects:

Educational qualifications and experience.	Managers and Supervisors must be able to read, write and comprehend English, computer literate and be able to handle basic mathematical operations.
Age.	
Physical fitness.	The staff must uphold image of the client by wearing neat uniforms and with polished behaviour.
Personality, industrious nature and motivation.	
Registration with PSIRA (Private Security Industry Regulatory Authority).	All staff should undergo induction and refresher training programs.
Security Clearances (SAPS).	
Security Training Certificates.	Staff will be provided with transport and accommodation next to the sites.
Ability to numerate, computer literacy and the ability to read, write and communicate in English and other official languages that are commonly used around the premise of operation.	

Operational Model

- 1** Defining the scope of work at individual sites and within the company
- 2** Service level agreement with due diligence
- 3** Adherence to the contract terms and conditions with clients
- 4** Maintain confidentiality of client's business and personal matters
- 5** Staff supervision
- 6** Alertness and swift action
- 7** Performance evaluation and monitoring services
- 8** Reporting of incidents and weekly reports
- 9** Preparation of monthly management reports
- 10** Contingency management/ emergency protocols.

Crowd Management

The management and support services team offer assistance in event planning, and preparations and would represent clients in pre-event safety meetings.

We have a team of well trained and experienced staff who have been ably supporting major organizations involved in
